## OBJECTIVE

A servant of the Lord Jesus, seeking to bring my love and commitment for God's Word and His church to Centros Teológicos Bautistas. It is my deep desire to have the opportunity to contribute to the biblical-theological education for those seeking to serve Christ, for the benefit and edification of the church. I am eager to assist the faculty of Centros Teológicos Bautistas to continue to shape and motivate God's people with their ministries and calling. I love to see believers deepen their knowledge of God and strengthen their relationship with Christ through the study of the Scriptures and Christian literature. Biblical-Theological education has a vital role in the church's mission to reach the world and make disciples for Christ. Empowered by the Holy Spirit, and bringing what I have learned in my biblical and theological training, I pray that The Lord Jesus uses this undeserving servant for His glory and His kingdom.
